

## **INFORMATION AWARENESS DRIVE**

**Dear Sir,**

We thank you for the interest you have shown in becoming the member of Blue Glory Defence Officers Welfare Society for our housing project in Dwarka L-Zone, Delhi.

Referring to our conversation we had today, we would like you to spare some time to go through our **“Information Awareness Drive” material**, which is aimed to make any new enquirer/member fully aware first and foremost about DDA Land Pooling Policy in which we are to participate in the area mentioned.

Our endeavor is to educate people about the scheme and its implications so as to help us clear some of your doubts (if any) or concerns before you become a member.

We firmly believe that an educated mind will bring in value, strengthening our team of like-minded people and thereby accomplishing our mission **“To create an organization that makes each person associated with it while fulfilling their objectives.”**

This process of updating through this awareness campaign has helped our existing members to be aware and is very well appreciated.

We would like you to go through our website [www.blueglory.in](http://www.blueglory.in) and download all the valuable information and related documents as discussed. We are also sending, as attached, some more related updates for your perusal.

Please feel free to contact us or undersigned anytime for any queries or concerns.

Thanks and regards,

Manmohan Singh
